AAC Awareness

B elieve in my abilities

R espond to my intent

E xpand my range of communication partners

A ll of my words, all of the time

T ake my device everywhere

H onor communication as a Human Right

E nsure I am included in the conversation
(Nothing about me without me)t

AAC

"Breathing is the only prerequisite that is relevant to communication. Breathing equals life, and life equals communication. It is that simple."
P. Mirenda
